

## PRODUCT DATA SHEET

## Cat 6 & 6A Modular Plug Pass-Through

Nitrotel Cat6 or Cat6A, RJ45 modular plugs pass-through support installations meeting the TIA-568.2-D requirements for NEXT and Return Loss. The pass-through function allows the wires to pass all the way through the plug to let you verify they are in correct order before crimping the plug.

### Features

8 position, 8 contact RJ-45 modular plug compatible with CAT6 or CAT6A rated cables.

Design provides an easier assembly while maintaining optimal performance to pass cabling standards and requirements in channel testing.

Crimps with a pass-through RJ-45 crimp tool.

50 micron gold contacts

Suitable for solid or stranded, 23-24 AWG conductors
